Dear families:

Happy New Year and welcome back! We hope that everyone had a wonderful, restful break!

We have many lost and found items that were not claimed prior to the break. If you are in the school, please take a look to see if anything belongs to your family. Also, please check with your child to see if their indoor shoes still fit and are in good repair, as their feet do seem to grow over the Winter Break! We want to avoid having students wearing snow boots inside of the school building.

Thank you,

Joelle Withey, Principal

Please ensure children have clothing layers. Goggles and extra gloves are also a great idea! There is a concession. Students will be responsible for their own money if they bring any.

If you would like to join us please make sure the correct volunteer forms are filled out.
