Dear families:

As many of you may already be aware, I have been appointed as vice-principal of Quesnel Junior School. This transition will not happen until later in the fall however, so I will be back at Kersley Elementary in September ready to welcome our returning students and their families!

Please help me welcome Nancy Danuser as your next school principal! Ms. Danuser is currently the vice-principal of Lakeview Elementary. She also worked within the Stikene School District as a principal, vice-principal and teacher; within the Coast Mountains School District as a teacher and overseas in Japan! Ms. Danuser visited our school last week and is very much looking forward to becoming part of the team at Kersley Elementary.

While there will be many familiar faces next year, there are a few additional changes to the classroom teaching staff. Ms. Whitehead will be the Resource Teacher at Bouchie Lake Elementary and Ms. Kazimirchuk will be teaching Grade 6/7 at Riverview Elementary. Mrs. Campbell has also made a change for next year, and will be back at Kersley Elementary teaching Grade 2/3/4! I wish everyone all the best in their new teaching roles.

Over the past couple of weeks, many of our students have returned to in-class instruction and others are continuing to learn from home. It has been wonderful to welcome so many students back into the building, and the staff is really looking forward to seeing even more smiling faces in the fall. If you have any questions about our return to in-class instruction or the accompanying adjustments to remote learning, please feel free to contact me by calling the school or via email.

Take care,

Joelle Withey, Principal
