Dear families:

It is hard to believe that it is May already! It is wonderful to see all the students biking, skateboarding, and riding their scooters to school. For safety reasons, we ask that students not ride on school grounds. Please remind your child to walk their bike, scooter, or skateboard off school property before making their way home at the end of the day. Thank you!

New Sign In & Out at the Office

For safety reasons, we have implemented a Sign In and Out form at the front counter in the office. If you are volunteering in the school, or you arrive to pick up your child before the end of the day, please ensure you use the form in the office. During any emergencies or drills, this information will be outside with us to make sure no one is left in the building. This is common practice in all the schools, so thank you for your cooperation and understanding.

Two-Week Spring Break Survey 2019

The School District has posted a survey on the School District webpage in the "NEWS" section as well as on the District Facebook page. Please take this opportunity to let the District know what you think!
